---

**Dear Pastor and Church Family,**

We're writing to introduce ourselves and the calling God has placed on our lives through Journey Home Ministries. Our heart is to serve the body of Christ with authenticity, humility, and passion rooted deeply in the love of the Father.

At the very core of our ministry is the beautiful truth found in Romans 8:15 – that we have been adopted as children of God, and by His Spirit we cry out, "Abba, Father." We believe this message is not just theological—it's personal, healing, and transformative.

**Journey Home Ministries exists to help people discover their identity as children of God, to rediscover their identity in Christ—and to experience the Father's heart in a real and intimate way.**

---

**Our Heart to Serve the Church**

We carry a deep love for the Body of Christ and a longing to see people encounter the transforming love of Jesus. It's our joy to come alongside local churches and ministries to encourage, equip, and point people to the heart of the Father.

---

**Here's how we feel called to serve:**

---

**Worship & Original Music Rooted in God's Word**

Tim writes and leads Spirit-led worship based on Scripture and his personal relationship with God. Our heart is for people to experience God's love, freedom, and healing through worship.

---

**Concert Ministry Event**

We would be honored to come and serve your church through a Concert Ministry Night, a Special Sunday Service, or even a Revival Weekend. We truly believe this ministry can refresh your people, speak to the brokenhearted, and encourage the body of Christ to step more fully

into their identity as beloved children of God. This is a great opportunity for your pastor and worship team to take a much needed week of rest.

---

### **Christ-Centered Preaching & Teaching**

Tim brings the Word with clarity, compassion, and boldness—always pointing to Jesus. His heart is to stir up a love for the Gospel and equip the church to share Christ naturally in everyday life—whether with a neighbor, coworker, or stranger at the grocery store.

---

### **Evangelistic Outreach & Mentoring**

We carry a burden for the lost and hurting. Our calling is to awaken the Church to the joy of sharing the love of God with the world. We help demystify evangelism and remind believers that God is always pursuing people—often through us. Tim is available to lead a team in teaching practical techniques for personal evangelism and can also guide outreach teams in real-time street ministry.

---

### **Testimony of Redemption & Hope**

Emilie shares a beautifully personal testimony of God's grace—how He rescued her from the deep wounds left by her earthly father and brought healing, hope, and restoration through the love of her Heavenly Father.

---

### **Women's Conferences & Retreats**

We are passionate about seeing women walk in the freedom, identity, and truth of Christ. We love partnering with local women's ministries to host gatherings where hearts are healed and lives are restored. Whether you'd like us to lead the entire weekend or just be part of your women's retreat, we'd love to serve in whatever way is most helpful.

---

### **Community/Stage-Driven Outreach**

A dynamic, community-centered event where Tim brings live music directly into local neighborhoods, partnering with host churches to create a powerful ministry experience. We incorporate the church's worship band, youth drama team, and local musical talent to create a vibrant and engaging stage presentation. Volunteers connect with the audience through face painting, balloon sculpture, and personal conversations—creating meaningful, face-to-face ministry moments. Our goal is simple yet profound: to show neighborhoods that God sees them, the Church cares, and the Gospel is alive and relevant. It's an invitation to experience the love of Jesus in a creative, joyful, and approachable way.

---

We are currently based in the Piedmont Triad area and attend Gospel Baptist Church in Greensboro, NC ~ Pastor Nick Decker ~ and we would love to connect with local churches who are seeking fresh encouragement and authentic ministry rooted in the Word of God. Whether you need someone to lead worship, music at a special event, partner with your outreach, or fill the pulpit—we are here to serve.

---

Thank you for taking the time to learn a little bit about us. We would love the opportunity to meet, pray together, and see how God might lead us to serve alongside you in building His Kingdom right here in the Triad.

With love and gratitude in Christ,

**Tim & Emilie Arnett**
